Submitting a Paint Application

What you Need to Know:
- Applications can be downloaded above.
- Even if you intend to paint your house the same color, you must submit a form and obtain approval prior to painting.
- You may use any brand of exterior paint you wish.
- All exterior paint must be a flat or satin finish.
- Include paint chip samples for each color you are submitting for approval (main house color, trim, front door, garage door, shutters, fence, shed, and/or deck).
- The A.C.C. will review the request and respond within 30 days of receiving the request.
- You will be notified by email when the request is approved or denied. No verbal approvals will be given.
- Make sure you write legibly and complete all sections of the application including your email address.

Additional Information
- Application volume is higher in the spring.
- Choose neutral and geographically appropriate colors that will complement the surrounding neighborhood.
- Color trends change periodically. Consider a new color to give your home a fresh look.
